Providence Federal Credit Union donates nearly \$10,000 to Providence Willamette Fall Medical Center to the Child and Adolescent Psychiatry Unit

Portland, Oregon (October 16, 2023)— Providence Federal Credit Union (PFCU) was proud to sponsor the Gala at the Falls 2023 in support of the Providence Willamette Falls Medical Center. The Games Show-themed event raised funds to increase access to stabilization care for young patients in the Child and Adolescent Psychiatry Unit.

"The care Providence Willamette Falls Medical Center provides is vital to many in our community, especially those who are most vulnerable," said Shirley Cate, President/CEO of Providence Federal Credit Union, "The Gala at the Falls is a perfect opportunity for us to support Providence's exceptional work with children and teens who suffer from psychological or behavioral issues."

Providence's Child and Adolescent Psychiatry Inpatient (CAPU) unit is unique as it's one of only a handful of programs of its kind in the United States. The short-term care center is one of the few in Oregon that accepts children, and the Oregon City hospital is the only one that accepts children under age 10.

PFCU sponsored a game table at the Gala on September 29 and donated an additional \$6,750 to this worthy cause for a total of nearly \$10,000.
